

CSC 210, zyBooks Grading

For each zyBooks chapter, you will get up to 2 grades:

1. Participation – your *Participation* grade is your *Participation Activities* zBooks grade plus 10%. In other words, you will get 100% if you complete 90% of the Participation Activities.
2. Challenge/Lab – Average grade for the *Challenge Activities* and *Lab Activities*. This grade is calculating by summing over your points earned, and dividing by the total.
